

Instructions for Project Presentation: (Please read these instructions carefully)

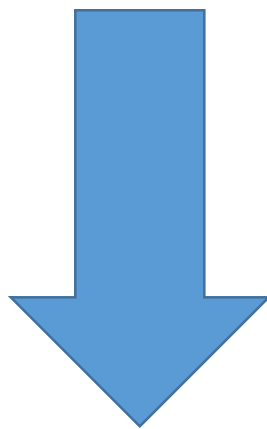

- Submit the Mid-term Project report by **13th March 2021 11:59 pm** in the portal under **Project > Mid Project Report**. Rename the Project report file as “(G1 Mid Project Report.docx, G2 Mid Project Report.docx, and so on)”. The file must be in Docx format, **do not convert it as pdf**.
- Please be online at mentioned time for your group on **14/03/2021 Sunday and 16/03/2021 Tuesday according to the schedule**.
- You have to present your functional project for mid-term in your computer.
- **Everyone from each group must attend the presentation and viva**. For this presentation day only I would request you to turn on your camera while presenting
- Please try to avoid informal dress for presentation
- The class will be continuously running. **Please enter the class at the exact time that is assigned to your group only. Do not enter in others time without asking me. I will be calling you at your dedicated time individually in class.**
- Please make sure your group mates are available online before your starting your presentation. Call them by phone and ask to be online if they are offline before presentation
- Fill up the following excel file appropriately by **13th March 2021 11:59 pm**. **Find your group in the worksheets Write the title on given space > Find your name, ID > only write on your dedicated cell for project marking.**
